PROPERTY DESCRIPTION

Rare opportunity to acquire a newly constructed (2024) freestanding commercial building with a fully approved drive-thru in one of Broward County's most highly trafficked corridors. Currently owner-occupied, the property is ideal for an owner-user seeking a turnkey location with valuable infrastructure already in place.

The 845 SF property features a dedicated drive-thru lane with stacking for approximately 10 vehicles—an increasingly rare amenity that is difficult and costly to entitle and develop. A large grease trap is already installed, and the building can accommodate a future hood system, providing flexibility for a variety of food and beverage concepts.

Positioned on N Andrews Avenue with exposure to more than 35,000 vehicles per day, the property offers outstanding visibility and access just south of Oakland Park Boulevard. This is a unique opportunity to acquire a modern drive-thru asset without the time, expense, and uncertainty of ground-up development.
