Lobby & Entrance

The entrance at 50 Greene Street opens into a sleek, modern lobby that reflects the building's SoHo character. A restored cast-iron façade frames the entry, leading to a clean, minimalist interior with high ceilings, polished finishes, and abundant natural light. The understated design creates a refined first impression while maintaining the neighborhood's authentic, creative vibe.

Building Location

50 Greene Street sits on one of SoHo's most iconic cobblestone blocks, surrounded by luxury retail, designer boutiques, and flagship stores. Neighbors include Louis Vuitton, Dior, and Tiffany & Co., with popular dining spots and cafés just steps away. The building's prime location places it at the heart of SoHo's vibrant shopping and cultural district, offering an address that combines prestige with everyday convenience.
