In addition, the Property features potential availability on the 2nd Floor for an owner-user to establish a modern corporate presence in one of Tampa's most desirable business corridors while benefiting from rental income generated by the building's remaining tenants.

KEY INVESTMENT HIGHLIGHTS

PRIME LOCATION + KENNEDY BOULEVARD FRONTAGE

- Located along Tampa's main east-west thoroughfare with unobstructed exposure to 42,500 daily commuters.
- Effortless accessibility for "decision makers" residing within the adjacent South Tampa community.
- Convenient proximity to major Tampa thoroughfares (I-275 & Veterans Expwy) provides ability to pull skilled labor from both sides of Tampa Bay.

SECURE, DIVERSE IN-PLACE CASH FLOW

- Currently 93% leased to seven (7) tenants.
- Over 47% of the Property's contractual revenue comes from retail and medical office tenancy.
- 39% NOI growth over a 10-year hold period.

LIMITED DEFERRED MAINTENANCE FOR A NEW OWNER

- Nearly \$956,000 of pending and recently completed capital improvements deployed since 2021, most notably RTU replacement (\$88K / 2026 - pending), interior common area improvements (\$205K / 2022) and a new roof system (\$90K / 2021), limiting a new owner's future capital requirements.

MIXED USE RENT ROLL ORIENTATION

- In-place tenancy features a diverse roster of professional office (64%), medical office (14% of RSF) and retail occupiers (15% of RSF).
- 3.9 years of Overall WALT across the Property.

DESIRABLE SMALL FOOTPRINT SUITE LAYOUT

- The Property's rent roll features an average suite size of 3,740 SF, ideal for commanding premium rents targeting smaller, front office occupier profiles.
- 80% of recent lease deals executed in Westshore are for spaces less than 10,000 SF. 4427 Kennedy sets up perfectly to target this out-sized portion of the occupier market in a tenant vacate scenario thus limiting suite downtimes.
- All but one (1) suite at the Property is under 10,000 SF.

UNIQUE OWNER-USER OPTIONALITY

- The Property provides a unique opportunity for a prospective purchaser to assemble and occupy up to 5,200 SF (Suites 250 & 260) of contiguous 2nd Floor space while enjoying a stable cash flow stream from existing third-party tenants.
