CHina Fu

PROPERTY DESCRIPTION

Freestanding 4,833 SF second generation restaurant building on a 23,087 SF lot along S Meridian, the main corridor connecting Will Rogers World Airport to Downtown OKC. Built in 1985 with 25 surface parking spaces and pylon signage on a stretch carrying over 25,000 VPD. The immediate trade area is hotel driven, with national credit retail, restaurants, and travel demand feeding the corner year round. Existing restaurant infrastructure makes this a strong fit for an owner user QSR, fast casual, or full service concept, or for an investor buying a hard corner building on an infill corridor with limited new restaurant supply.

LAND

PROPERTY DESCRIPTION

Positioned directly behind a well-trafficked restaurant corridor, this excess land offers a prime development opportunity within an established commercial hub. The site features excellent accessibility, ample existing parking, and strong surrounding traffic generators, making it highly suitable for a variety of uses. With its layout and visibility from the main thoroughfare, the property is particularly well-suited for a hotel development, capitalizing on nearby demand drivers and consistent vehicle traffic. This is a rare opportunity to acquire infill land in a proven location with immediate upside through development.
