

Everyday Destinations. Extraordinary Locations.

The Orchards is a newly constructed, dominant community retail center located in Walnut Creek, California, a premier retail market in the San Francisco East Bay area. This prime commercial property features inspiring architectural and landscape design and inviting outdoor spaces. Strategically positioned on a main commute corridor at a major retail intersection, this necessity-based retail center offers great visibility and a place for Walnut Creek residents to gather, shop and dine amongst heritage oak trees and spectacular views of Mount Diablo.
