Property Highlights

357 Broadway presents a rare opportunity to lease quality commercial space in the heart of Amityville's established Broadway corridor. The property offers two distinct and highly functional spaces suited for medical, service-oriented, and professional office users seeking visibility, accessibility, and long-term stability within a vibrant village setting.

The offering includes:

Situated along Broadway, the property benefits from strong pedestrian activity, surrounding neighborhood businesses, and convenient proximity to the Amityville LIRR station, Sunrise Highway, and Montauk Highway. The location provides access to both local clientele and regional consumers.

Ownership is seeking long-term tenants and is open to discussing build-out considerations for qualified users based on lease term and credit strength. Annual rental increases will be incorporated into lease structures to ensure stability and predictable growth.

Asking Rent: \$26/SF + Utilities

The second-floor suite consists of approximately 1,000 square feet of fully finished, move-in-ready office space. The suite is thoughtfully built out and well-suited for professional users seeking a clean, functional environment with minimal upfront investment.
