Why Nevada

Considered the 8th most business-friendly state, according to EDRAWN, Nevada offers a very low-regulation environment. This platform offers a variety of incentives to help qualifying companies make the decision to do business in the state of Nevada. Both Money and Forbes Magazines have named the Silver State one of the most business-friendly in the country.

Nevada ranks as the 17th best state in the Tax Foundation's 2024 State Business Tax Climate Index. This index is an independent ranking of states in five areas of taxation: corporate taxes, individual income taxes, sales taxes, unemployment insurance taxes, and taxes on property, including residential and commercial property.

In comparison, the Tax Foundation's 2024 Tax Climate Index rankings for our neighboring states are significant: California ranks 48th, Arizona 15th, Idaho 11th, Oregon 30th, and Utah 16th.

A Look at Northern Nevada

TRIC

The Tahoe-Reno Industrial Center (TRIC), the world's largest industrial park at **over 15,000 acres**, lies just nine miles east of Reno/Sparks. Accessible via I-80 and Hwy. 50, thanks to the USA Parkway expansion into Silver Springs, TRIC offers expedited shipping to seven western states within a day and the remaining four within two days.

SouthEast Connector

Completed in 2018, the SouthEast Connector offers an alternative transportation route between east Sparks and south Reno, comprising a new 5.5-mile arterial road, seven bridges, two signalized intersections, and a multi-use path for recreational users. This new roadway serves as a bypass from the congested US-395/I-580 freeway and the southwest section of McCarran Blvd.

Carson City

Carson City, the capital of Nevada, lies just south of Washoe County and boasts an estimated **population of 57,978 in 2024**. During the day, the population swells to over 65,000, driven by government employees commuting from Washoe and Douglas counties. Recent downtown renovations have spurred business growth and foot traffic, complementing Carson City's rich history and scenic allure, which consistently attract tourists year-round.

Douglas County

Douglas County, positioned along the Nevada/California border just south of Carson City, encompasses the towns of Minden, Gardnerville, and Genoa, hosting a **population exceeding 49,311 residents**. The area's sample land has attracted numerous manufacturing companies, such as Starbucks Roasting Plant, GE, and North Sails, establishing a robust industrial presence in the region.
