Executive Summary

The Site:

Outstanding interchange development site near the SWC of I-25 and Highway 392 in Fort Collins, CO. The site is approximately 22.92± gross acres with potential for a wide range of commercial uses, including retail, fuel/convenience, quick-service restaurants, medical, hospitality, and more. The adjacency to, and easy access from the I-25 interchange makes this site an appealing location for an array of uses. This prominent location is situated in one of Northern Colorado’s fastest-growing and most affluent areas (average household income of \$186,000) and benefits from excellent connectivity to nearby communities such as Windsor, Loveland, Johnstown, Timnath, and Fort Collins. With access to two major thoroughfares—Interstate 25 and Highway 392—the property provides a rare opportunity for developers to secure a premier location in a thriving corridor.

Market Overview & Area Information:
