PROPERTY HIGHLIGHTS

1282 Greenfield Drive in El Cajon, CA is a well-positioned commercial property located along a high-traffic corridor with strong street visibility and convenient access to major freeways, providing excellent connectivity throughout East San Diego County. The property consists of one building that can be configured into a variety of layouts, offering a flexibility that is well-suited for a variety of business uses and ownership strategies.

This configuration creates an ideal owner-user opportunity, allowing a buyer to occupy a portion of the property while generating rental income from the remaining space, helping offset operating and ownership costs. The property's layout also provides flexibility for future expansion or re-tenanting as business needs evolve.

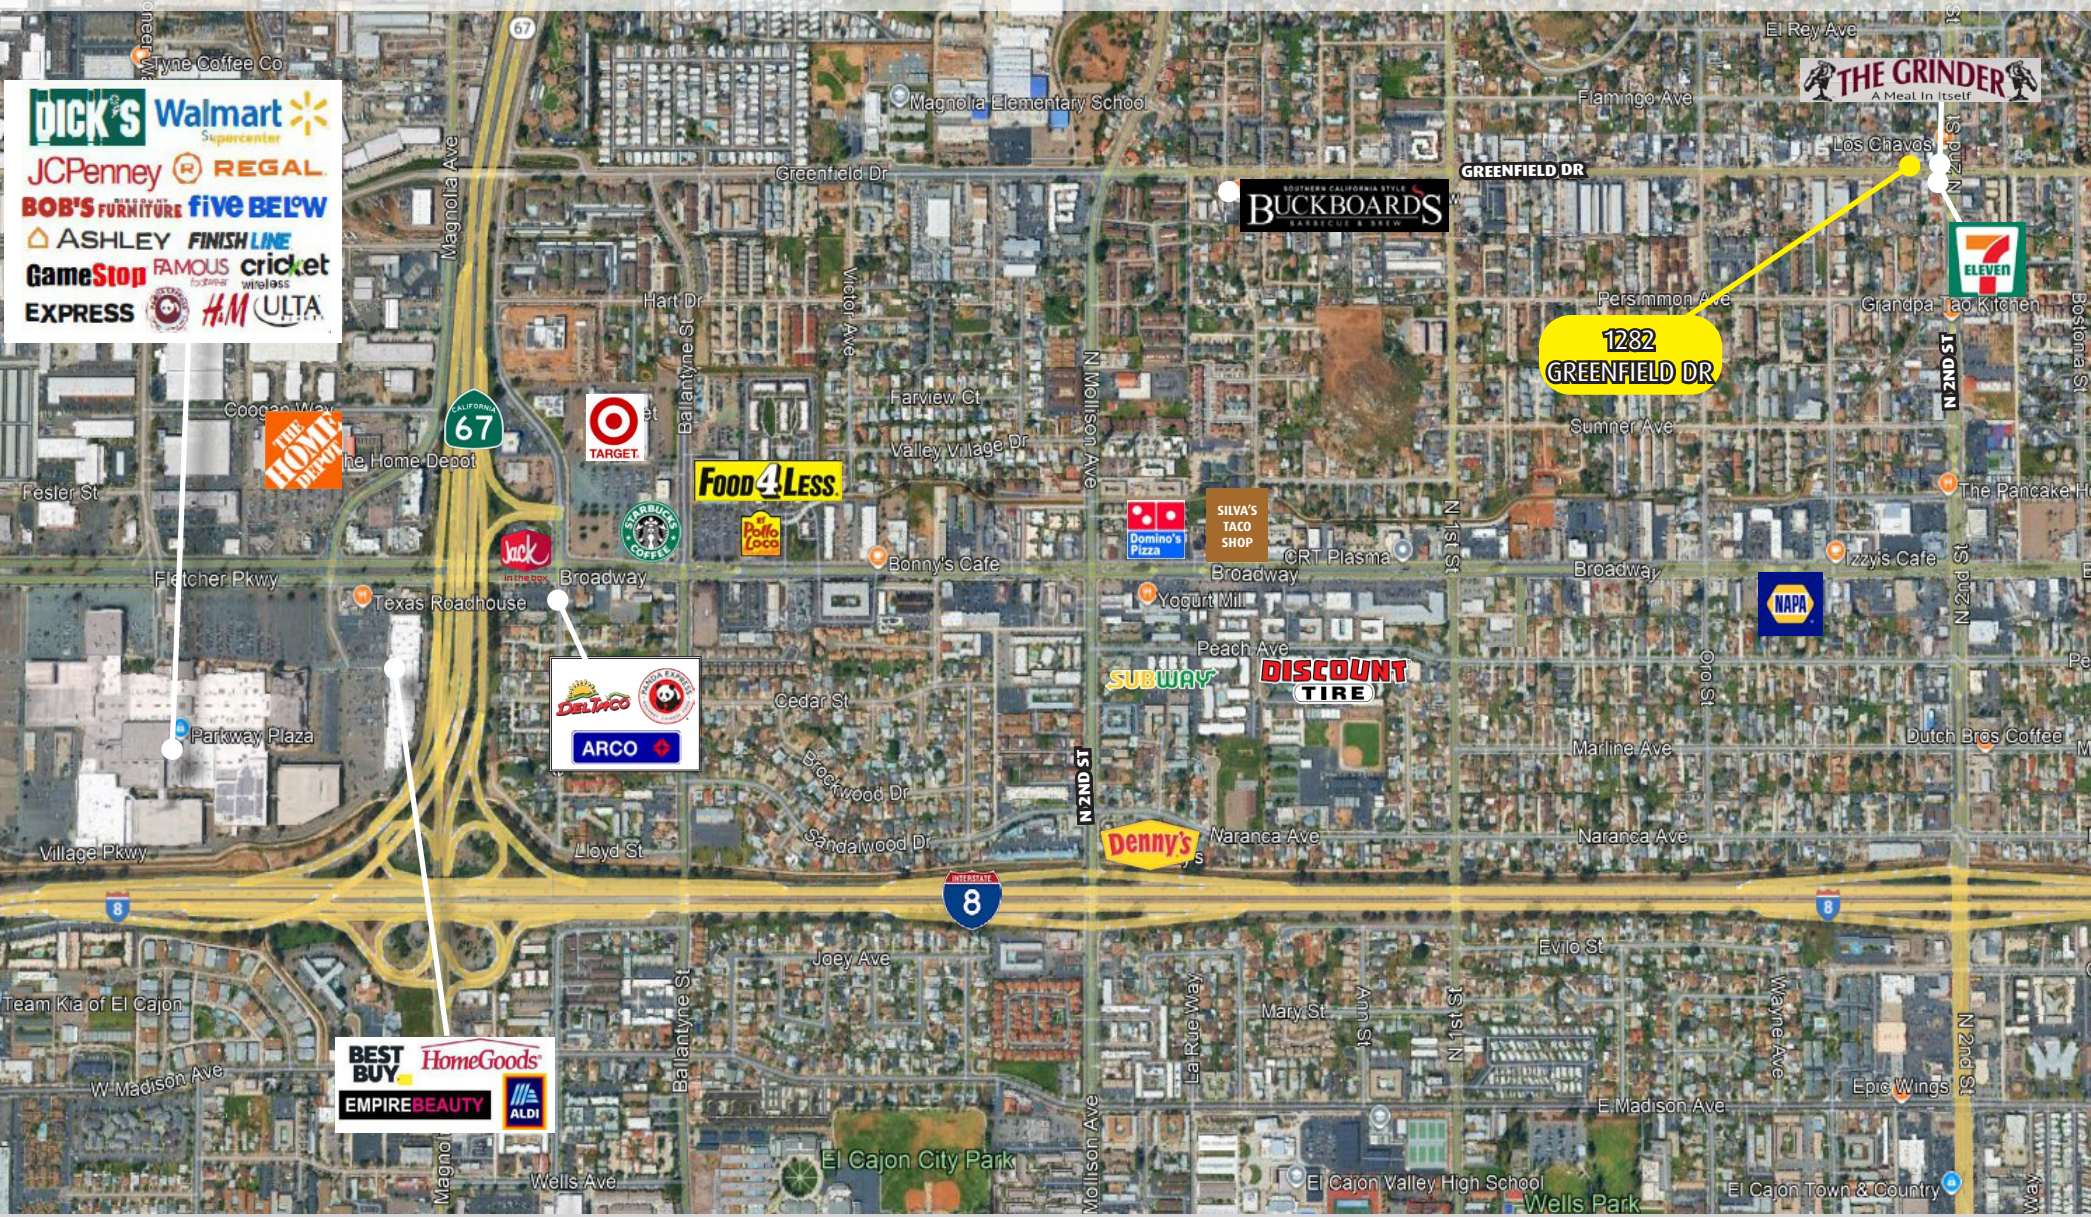

Additionally, the property may qualify for SBA financing, offering attractive terms such as low down payment options and long-term fixed-rate financing, making it especially compelling for owner-users seeking to control their real estate while preserving capital. With its strong location, income potential, and favorable financing options, 1282 Greenfield Drive presents a rare opportunity to combine owner occupancy with long-term investment upside.
