We are absolutely delighted with our new office, the communal areas and the building overall. It's fresh, modern, bright and airy; such a lovely space to work in. Michael, the centre manager has gone above and beyond to help our move go smoothly. Nothing is too much trouble and we're thrilled to have found such a lovely working environment with excellent facilities for our registered charity.

Michael, the site manager, has gone above and beyond to ensure our move was as smooth as possible and continues to offer his support.
