The subject property benefits from eligibility for significant State and Local incentive programs that offer significant savings to the owner. Consult your tax advisor to determine how the incentives may specifically benefit you.

ENTERPRISE ZONE INCENTIVES

The Virginia Enterprise Zone (VEZ) program is a partnership between state and local government that encourages job creation and private investment. VEZ accomplishes this by designating Enterprise Zones throughout the state and providing two grant-based incentives, the Job Creation Grant (JCG) and the Real Property Investment Grant (RPIG), to qualified investors and job creators within those zones, while the locality provides local incentives.

Enterprise Zone Real Property Investment Grant. Qualified zone investors (entities and individuals) making a qualified investment in industrial, commercial, or mixed-use real property located within an Enterprise Zone are eligible for a cash grant. The grant is equal to 20% of the investment up to a maximum of \$125,000 for companies investing less than \$5 million in qualified real property investments.

Enterprise Zone Job Creation Grants. Qualified businesses in an Enterprise Zone are eligible for cash grants for permanent net new jobs created over a four-job threshold. New jobs that pay at least \$10.24 per hour are eligible for a maximum grant of \$500 per position per year for up to five years.

City Of Portsmouth Local Enterprise Zone Incentives. The City offers significant tax abatements for improvements made to the subject property,
