Jetport Business Center is a new-construction 66,116± SF multi-tenant flex warehouse development in Fort Myers consisting of two 33,058± SF buildings. Designed for service, trade, showroom, and light industrial users, the project delivers modern small-bay space in one of the area's most supply-constrained industrial segments.

Each unit is planned for vanilla shell delivery and includes an air-conditioned office area, restroom, and mini-split HVAC system. Constructed with concrete tilt-up panels, low-slope roofs with parapets, and full sprinkler systems, the project is designed to provide long-term durability and modern functionality.
