Suite 1A: 1,177 SF

Spacious office suite featuring a large open workspace and two private offices. The open layout provides flexibility for a variety of configurations and offers a great foundation for a tenant looking to personalize the space.

Suite 2A: 467 SF

Ideal for an independent business owner or small business, this suite features one private office and an L-shaped open workspace. Its efficient footprint provides a practical setup with the opportunity to update the space to suit a tenant's individual style and operations.

Suite 3A: 2,005 SF

The largest and most versatile of the three suites, this suite features multiple entrances and a highly flexible, fully connected layout. The main entrance opens to a reception area with an entry closet, four private offices, and a dedicated IT room. A separate entrance provides direct access to a large area ideal for a conference room, collaborative workspace, or cubicle configuration, while two additional entrances offer direct access to two spacious training rooms. All areas are connected internally and can be accessed from within the suite, allowing for seamless flow throughout the entire space. This versatile configuration is especially well-suited for businesses requiring a combination of private offices, meeting rooms, training areas, and open workspace.
