Charleston Area Residential Investment Portfolio | 5 Properties

Exceptional opportunity to acquire a diversified portfolio of five income-producing residential properties located throughout the Charleston metropolitan area, including Summerville, North Charleston, West Ashley, and Hollywood. This portfolio consists of well-maintained single-family homes ranging from approximately 950 to 1,500 square feet, with a mix of 3-bedroom, 1- and 2-bath floor plans. Select properties feature garages, enhancing tenant appeal and long-term rental stability. Lot sizes range from ±0.11 to ±0.32 acres, offering a balance of low-maintenance living and functional outdoor space.

The portfolio currently generates a gross monthly income of \$10,455 per month, providing strong in-place cash flow from day one. Each asset is located within high-demand rental submarkets, benefiting from proximity to major employment centers, transportation corridors and the continued population growth driving the Lowcountry. This offering presents the immediate opportunity to achieve scale in the Charleston market with a stabilized income stream and potential for future appreciation and rental rate growth.

Detailed rent roll, financials and property-level information available upon request.
