PROPERTY DESCRIPTION

Batavia Plaza | West Main offers a 9,200 SF end cap and a 1,050 SF inline opportunity along the I-90 corridor between Rochester and Buffalo, positioned within Batavia's primary retail node on the west side of town. This location serves a broad regional trade area, drawing consumers from across Genesee County and surrounding communities.

The 9,200 SF end cap features approximately 48 feet of frontage with significant depth and includes a dedicated loading dock, making it well-suited for users that prioritize operational efficiency, deliveries, or back-of-house functionality. Ideal uses include fitness, medical, service-oriented concepts, and select retail users requiring light logistics support.

The 1,050 SF space offers a more traditional retail footprint, ideal for service, boutique retail, or food users seeking an affordable entry point into a well-established corridor.

Batavia Plaza is anchored by a mix of national and regional tenants and is surrounded by strong retail presence, including Walmart, Tops Supermarket, and other major corridor retailers. Traffic along West Main Street and Route 63, combined with convenient access to Interstate 90, supports steady daily consumer flow.

This is an opportunity for tenants to establish or expand within a proven retail corridor while benefiting from a wide trade area and long-term growth potential. Ownership will consider flexible deal structures, including tenant improvement allowances, for qualified tenants.

PROPERTY HIGHLIGHTS

- Signalized Intersection
- I-90 corridor location
- Between Rochester & Buffalo
- Tenant Improvement Allowance
- Pylon Signage
- Ample Parking
- Logistics-friendly end cap
- Strong surrounding retail
