## About Windsor Office Park

Windsor Office Park is a 10-acre business community located at the intersection of North Rolling Road and Windsor Boulevard in Baltimore County, just five minutes from the Baltimore Beltway (I-695).

The unified architecture of St. John Properties' two office buildings, comprising 63,200 square feet of space, and two retail buildings offering more than 15,000 square feet of space, provides Windsor Office Park a campus-like business environment.

Tenant sizes from 2,400 square feet to 32,000 square feet of space offer businesses straight-forward, economical and high-utility space in a covenant-protected and well-maintained atmosphere. Ample glass lines enable natural lighting, and free, generous parking is available adjacent to the single-story office and retail buildings.
