Property Overview

Compass has been retained on an exclusive basis to facilitate the lease of 1-92 Beach 116th Street, a highly visible retail opportunity in the heart of Rockaway Beach. Located just steps from the boardwalk and shoreline, the property benefits from exceptional pedestrian traffic, strong neighborhood demographics, and a substantial seasonal influx of beachgoers.

The space consists of up to **5,480 SF above grade**, divisible from approximately **1,680 SF**, plus a **full basement**. Formerly occupied by a daycare, the layout can be adapted for a variety of retail, medical, fitness, educational, entertainment, or service-oriented uses.

Rockaway Beach Neighborhood

Rockaway Beach is a vibrant coastal community within Queens that continues to attract residents, visitors, and businesses seeking a unique blend of urban accessibility and beachfront living. Located along the Atlantic Ocean, the neighborhood is renowned for its expansive beaches, boardwalk amenities, and laid-back atmosphere, making it one of New York City's most distinctive destinations.

The area benefits from a strong year-round residential population that expands significantly during the summer months as visitors from across the metropolitan region flock to enjoy the beach, local restaurants, and recreational amenities. This seasonal influx creates increased foot traffic and consumer activity, supporting a diverse mix of retail, dining, and service-oriented businesses.

Rockaway Beach is well-connected to the broader New York City market through the A subway line, multiple bus routes, and ferry service providing direct access to Manhattan. Combined with ongoing public and private investment throughout the Rockaway Peninsula, the neighborhood continues to evolve while preserving its strong sense of community and coastal character.

With its highly desirable beachfront location, growing popularity among both residents and tourists, and limited supply of ocean-adjacent commercial opportunities, Rockaway Beach offers a compelling environment for retailers and businesses seeking exposure within one of New York City's most unique and recognizable waterfront neighborhoods.
