Property overview

Building features

Discover our turnkey spaces, located in close proximity to Complexe Desjardins, Eaton Centre and Place Ville-Marie - with the possibility of a cash allowance.

Spaces can be subdivided to suit your every need, and you'll enjoy unobstructed views from every floor.

Enjoy optimum connectivity thanks to Bell fiber optics and the Zayo group. The possibility of connecting to the building's generator guarantees continuous service, even in the event of a power outage.

New common areas or areas undergoing renovation include: the main entrance, the elevator lobby with its new cabins equipped with touch-screen keypads, and the washrooms.

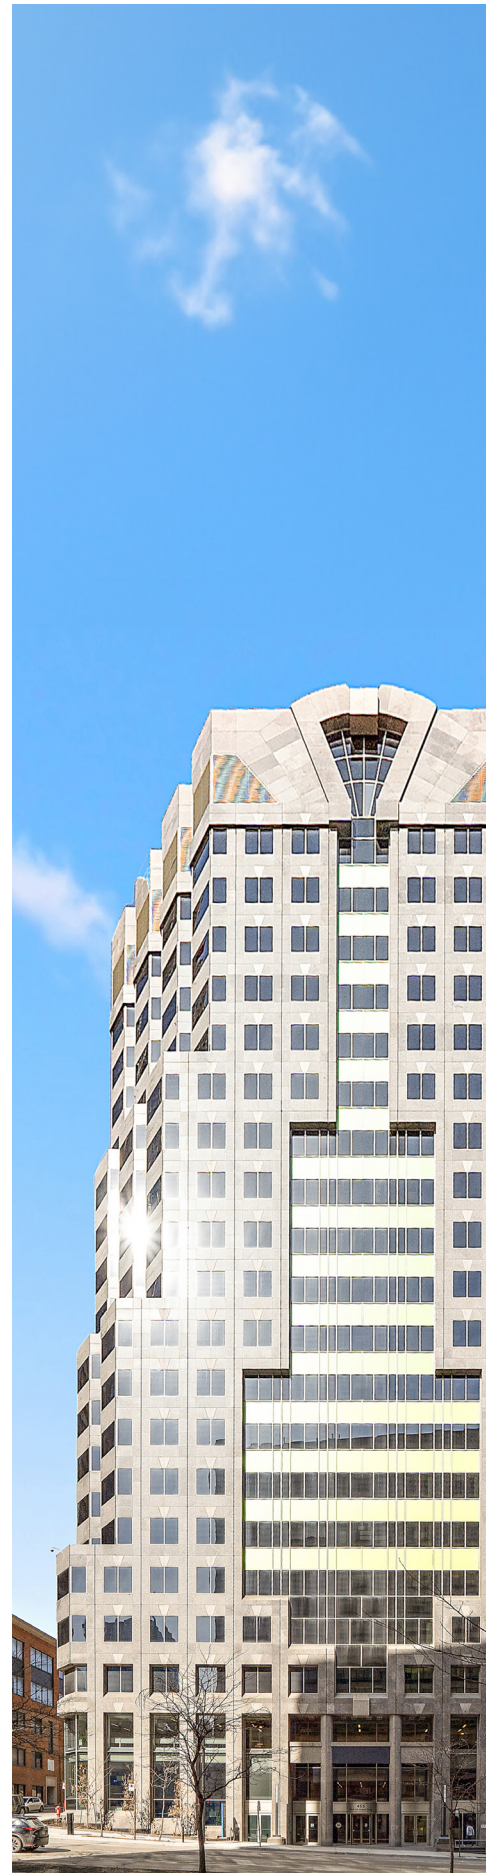

Equipped with a ventilation system featuring Merv 13 filters to ensure optimum air quality, the building has also been awarded BOMA BEST certification for intelligent and ecoresponsible buildings.

Ideally located for access to public transportation, the property also features bicycle storage, charging outlets for electric vehicles, reserved indoor parking spaces and secure access to the building.

A modern cafeteria on a full floor, showers and a private terrace complete the wide range of amenities.
