Both consisting of creative office space & coworking Club Space, this is a creative campus fostering growth and collaboration. All units include comfort cooling, communal breakout areas and kitchen, roof terrace, showers and bike storage.

Our spaces are unfurnished so that you can make it your own and add your mark - whether that be bright coloured walls or industrial furniture - design your spaces to suit your needs. We're here if you'd like quirky ideas.

# BUZZING BRIXTON

## BRIXTON

Like Piano House itself, Brixton is a story of interesting evolution as opposed to bland gentrification. There is a welcome positivity and a wider diversity than ever. If you ever liked Brixton before you will love the new version! If you have, somehow, never visited then we're pretty sure you'll quickly get why we love it so much.

**WE REGENERATE UNLOVED BUILDINGS, CREATE SURPRISING PLACES AND MANAGE VIBRANT COMMUNITIES.**

**THE TEAM BEHIND DOG HOUSE: OUR STORY**

Established in Brixton in 2006, TCN UK started as a partnership between Richard Pearce, Toby Bidwell and an inspirational Dutch developer. Our ambition at the outset was to regenerate unloved buildings into vibrant communities through creativity, long term ownership and intensive management.

In 2014 we said “tot ziens” to our Dutch partners, becoming privately owned in the UK, although they remain very much part of our heritage. Indeed we are proud that our original vision still remains at the heart of everything we do.

**WHY ARE WE DIFFERENT?**

- We own and operate – we control our environments to ensure they deliver the vision.
- We take a long term view allowing us to do the right thing.
- Our vision is carried out by people who live our culture.
- We inject passion and soul into what we do.
- Our Dutch ancestry runs through everything we deliver.
