Welcome to CEC Global Corporate Services

If you're looking for office space next to one of London's largest business districts then look no further.

Less than 15 minutes from London City Airport, our offices are in an exceptional location close to **Canary Wharf**, with **Canary Wharf** tube or South Quay DLR station only a 5 minute walk away.

At CEC we provide modern office spaces that can be rented, according to your needs. This offers a cost-efficient alternative to a permanent office lease and the associated overheads. Our simple fee structure has no hidden charges.
