Purpose-Built Ecosystem for Collaboration, Growth and Community

Recognized as one of the country's fastest-growing urban innovation districts, the Innovation Quarter has become a national model for the modern knowledge community. Anchored by the Wake Forest University School of Medicine and Advocate Health, the district brings talent, institutions, companies and creators together in a connected downtown environment designed to spark collaboration, accelerate growth and shape the future of innovation.

The Innovation Quarter is more than a district. It is a living, breathing ecosystem that moves ideas from possibility to impact.
