BRANDYWINE REALTY TRUST is the master developer of 650 Park. Our proven history, with over 12 million SF of successful development to date, is the result of a highly-experienced team, extraordinary development standards, impactful partnerships, and seamless, on-time execution. In the Pennsylvania suburbs, our buildings are home to many of the region’s largest and fastest-growing companies, such as IBX, TE Connectivity, Accenture and more. We recently completed the \$29.7 million reimagination of 500 North Gulph Road for CSL Behring, and delivered a 110,500 SF build-to-suit office at 933 First Avenue for GeoBlue, adding to our existing 1 million SF portfolio in King of Prussia. Now, at 650 Park, we look to create a progressive, thoughtful, and collaborative environment that epitomizes Brandywine’s best-in-class quality.
