Offering Summary

OFFERING

Blue West Capital is pleased to offer for sale a 100% leased, two-tenant NNN retail strip center at 12244 E 44th Ave in Northeast Denver, featuring a new 20-year House of Spirits leaseback with 2% annual rent increases. The stabilized, 2013-built strip totals 12,100 square feet, with the liquor store occupying 62.5% of the building and an established local Mexican restaurant operator occupying the balance, resulting in a weighted average lease term of approximately 12.7 years.

LOCATION

The property sits on a 1.43-acre corner parcel at East 44th Avenue and Quentin Street with first-turn access off the I-70 and Peoria Street interchange in Northeast Denver. Frontage along Peoria Street (51,900 VPD) provides exceptional visibility and immediate access, while site-adjacent hotels generate steady daytime and overnight demand for both tenants. The infill location sits approximately 10 miles from downtown Denver and 15 miles from Denver International Airport, two of the region's largest demand drivers.

The surrounding trade area supports more than 135,000 daytime employees and approximately 288,000 residents within five miles, with average household incomes exceeding \$120,000. This dense, employment-heavy corridor drives consistent consumer traffic to the site and underpins durable demand for the center's convenience-oriented tenants.
