Do you need a flexible work space, or want to relocate your business?

Join a growing community of businesses who have relocated to this beautiful Grade 1 listed Georgian building in the centre of Marlow. A relaxed yet elegant environment to meet clients and grow your business, you will enjoy all the facilities of a modern office, combined with a personal service designed to make your business run smoothly.

Location

Marlow Place is situated just off the high street in the centre of Marlow, giving you access to quality shops, cafés and restaurants. Close to the train station and with ample parking, only 28 miles west of London, your clients will find you easily, and enjoy meetings in the beautiful double height business lounge or period boardroom. And when you need a break, you are only 2 minutes walk from the River Thames.

Description

Marlow Place is a Georgian mansion, built in 1720 with a rich and interesting history. Converted into offices set over 4 floors, every room has period features with many benefiting from views over Buckinghamshire, and stunning communal spaces like the double height business lounge. Each office is alarmed with its own intercom, and can be furnished to individual requirements. Every floor has a fully functioning kitchen and the basement has showers for those cycling to work. Communal areas are cleaned daily and there is always someone available to collect deliveries if you are out. **Desks From £250 p/m**
Offices from £750p/m
