REACH NEW HEIGHTS

Strategic Logistics Location

- Located within 60 miles of the Ports of Los Angeles and Long Beach
- Excellent proximity to Ontario International Airport, BNSF intermodal and Fed Ex/UPS shipping hubs
- Located less than one mile to I-215 providing immediate access to I-15 and I-10 and six other major freeways that link to 11 Western States
- Direct access to the business-to-business hub of Perris and equidistance to the heart of the Inland Empire and San Diego

Corporate Campus Environment

- Critical mass project comprising a ± 2.8 MSF three-building corporate campus with multiple ingress/egress points and abundant site features
- Signalized traffic control to project
- California Sustainable Project
- Roof capacity for future solar panel load
- Expandable above standard power

State-of-the-Art Construction

- Class A construction with all of the modern building features Tenants require today
- Move in ready turn-key tenant improvements including $\pm 10,000$ SF office, LED warehouse lighting to spec, 40,000 lb pit levelers
- Excellent circulation with secured access with above standard trailer parking
- Separated associate auto parking

Rare Opportunity

- Proximity to Blue Chip corporate neighbors
- Strategic advantage of a population base of 4.5 million people with over 20 million customers within a one hour drive
- Business friendly City of Menifee provides an excellent branding opportunity
- Excellent neighborhood amenity base along with abundant surrounding labor profile
