The Tower

ABOUT

The Tower offers 171,000 sq ft of Grade A office space in an excellently connected location, immediately adjacent to Old Street.

The Tower's contemporary facade and grand stature make it ideal for companies wanting to stand out from the crowd and make a strong impression with their London offices.

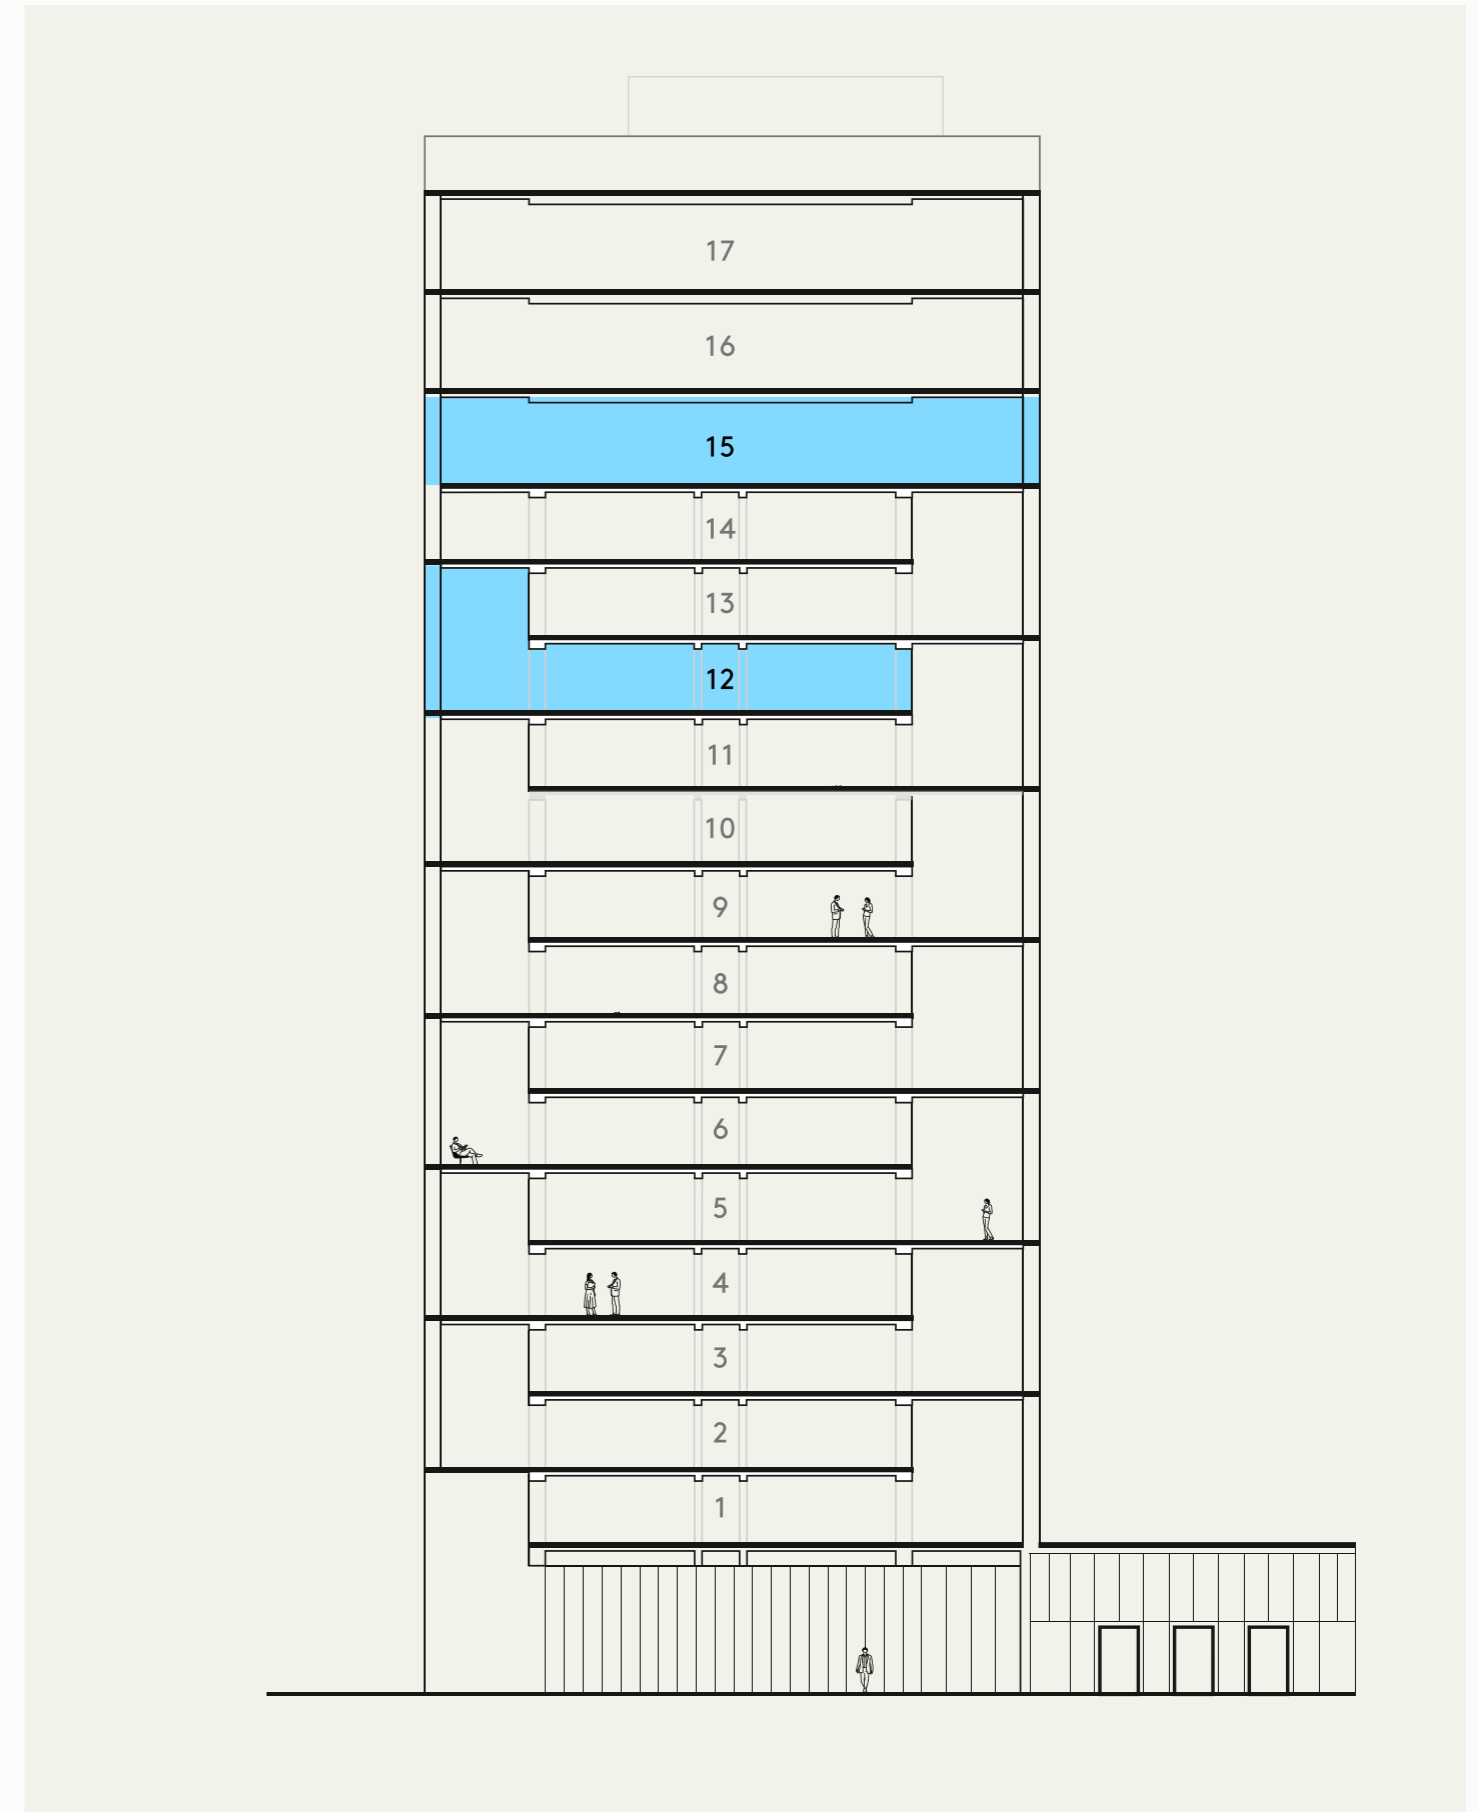

It has been designed to break down the traditional distinctions between the creative and corporate sectors, creating space where tech giants and advertising agencies can work alongside financial and legal specialists, in a building that provides a thoroughly modern workplace.
