ZERO CARBON DESIGN CERTIFIED

THE FIRST OF ITS KIND IN CANADA

ULTRA-MODERN CLASS-A ZERO CARBON INDUSTRIAL FACILITY

Lakeridge Logistics Centre's pioneering approach to construction and operational practices represents a significant advancement toward a more sustainable and environmentally responsible future. As the largest industrial property in Canada to attain Zero Carbon Design Certification, it exemplifies a profound commitment to reducing carbon emissions and fostering environmentally conscious practices. Through the integration of renewable energy sources, electrified heating systems, and enhanced energy efficiency measures, the Centre is purposefully designed to achieve long-term zero carbon performance from the first day of occupancy.

High-performance envelope and ultra-efficient mechanical systems

Alternative transportation options, including public transit, bicycles, and electric vehicles

Solar-ready roof ready for expanded usage

Superior indoor air quality and filtration

Fully integrated building automation system (BAS)

Electrified heating systems

Increased incoming electrical capacity to support existing and future electrification needs

Solar power generated onsite, designed to meet a portion of the building's energy load

Exception 178

The following yard and lot line interpretation shall apply: the yard and lot line abutting Kingston Road shall be deemed to be a front yard and front lot line; the yard and lot line abutting the future Chambers Drive right-of-way shall be deemed to be a front yard and front lot line; the yard and lot line abutting the future Audley Road right-of-way and eastern development limits (Environmental Protection (EP) Zone) shall be deemed to be the exterior side yard and exterior side lot line; and the yard and lot line abutting the western development limits (EP Zone) shall be deemed.

Development Standards:

The following development standards shall only apply in the event that a warehouse/ distribution centre is developed on the lands: a) Notwithstanding Section 5.4 iv) and v) of Zoning By-law 95-2003, as amended, the following shall apply:

i) A maximum of one (1) row of parking, regardless of tenure (visitor or employee i) parking), shall be permitted in the front yard abutting the future Chambers Drive extension.

ii) A maximum of five (5) rows of parking, regardless of tenure, shall be permitted in the front yard abutting Kingston Road, provided such spaces are screened from public view through architectural screening, landscaping, or a combination of these treatments.

Exception 178

iii) A maximum of three (3) rows of parking, regardless of tenure, shall be permitted in the exterior side yard abutting the future Audley Road extension, provided such spaces are screened from public view through architectural screening, landscaping, or a combination of these treatments.

b) Notwithstanding Section 5.13.3 of the Zoning By-law 95-2003, as amended, loading spaces shall be permitted in the interior and exterior side yards only. Any loading spaces located in the exterior side yard shall be screened from public view through architectural screening, landscaping, or a combination of these treatments.

c) Notwithstanding Section 6.4.3.1 i) of Zoning By-law 95-2003, as amended, truck and trailer storage shall be permitted in the interior and exterior side yards only. Truck and trailer storage shall be screened from public view through architectural screening, landscaping, or a combination of these treatments. No other outdoor storage shall be permitted.

Except as amended herein, all other provisions of this By-law, as amended, shall apply.

MEET THE TEAM

OWNER / DEVELOPER

Pure Industrial is one of Canada's leading providers of industrial real estate. With offices in Toronto, Montreal, Quebec City, and Vancouver and top tier properties across the country, we believe in the power of vision and the strength of partnership.

We're not just providing industrial real estate; we are laying the foundation for your business to thrive and are committed to being your partner in growth. We offer a portfolio of more than 42M square feet of prime locations across Canada, ranging from small warehouses to large industrial developments, and diligently serve more than 1,400 customers every day.

Our dedicated, customer-focused team is here to build lasting relationships, deliver highly responsive, personalized service, and keep your supply chain seamless, from the first mile to the last.
