175 High Holborn is a stunning mid-century masterpiece with views of many Central London landmarks.

Equipped with the latest access controls, and workplace technologies, the building is expected to become a sought-after destination for high profile start-ups, creative scale-ups and global unicorns.

Located only four minutes walk away from Tottenham Court Road underground station and the thriving start-up capital of Holborn. The area has seen high demand, attracting many tech, creative, and media businesses.
