FOR SALE – TRADE COUNTER, WAREHOUSE & OFFICE ACCOMMODATION

ON BEHALF OF JOINT ADMINISTRATORS

Location & Situation

The property is situated within the Pen Mill Trading Estate on the eastern side of Yeovil, in the county of Somerset. Oxford Road itself is a mixed commercial and residential street located approximately 1.3 miles northeast of Yeovil town centre.

The road forms part of an established industrial and business area, accommodating a range of commercial occupiers including engineering firms, trade counters, storage operators and light industrial users. The postcode BA21 5HR is specifically identified as being within the Pen Mill Trading Estate, which is an urban employment location.

The property benefits from good transport connectivity. Yeovil Pen Mill railway station is located approximately 0.6 miles from the property, providing regional rail access. Several bus stops are also located nearby on Lyde Road and adjacent residential streets.

Description

The property comprises a detached steel portal framed building incorporating a combination of pitched corrugated roofing and flat roof sections. The external elevations are of brick external face, fitted with single glazed, timber framed windows, and a uPVC glazed entrance door serving the trade counter. The warehouse is accessed via a manual roller shutter door, with an additional electric roller shutter door positioned in front of the uPVC entrance for enhanced security.

Internally, the property provides a trade counter area with an open plan office, and a standard retail style fit-out with suspended ceiling tiles and a mixture of LED and fluorescent strip lighting. The warehouse/stock room is of typical industrial specification, with concrete flooring, exposed steel beams, corrugated roof panels, fluorescent lighting, and

block painted internal walls. Within the warehouse is a sectioned zone comprising ancillary space, workshop, office accommodation, and W.C. facilities, with additional ancillary areas, further office accommodation, and staff facilities located at first floor level, including further accommodation above the front elevation.

Externally, the property benefits from a substantial tarmacadam surfaced car park located to the front and side elevations, capable of accommodating at least 30 vehicles, and served by two separate entrance/exits, allowing efficient vehicle circulation.

The site measures approximately 0.43 acre (0.17 hectare).
