Description:

Don't miss out on a chance to place your business in our outstanding Victorian Serviced Office space in the Heart of Leicester City Centre!

Space has become available at our prestigious business centre, Provincial House, Leicester.
Hurry, Call Before It's All Taken.

This prime City Centre location has the benefit of housing your business in the heart of Leicester's thriving business community and amidst a number of outstanding cafes, bars and shops that you would expect to see in any bustling, metropolis environment.

Spacious, high-quality, competitively priced serviced office in Leicester is available to rent. These modern, open plan office spaces have been refurbished to a high standard, with individual rooms, available for as little £80 a week, inclusive of utilities.

Phone lines and Internet Broadband can also be made inclusive and car parking can be arranged on-site, or at a nearby facility, at subsidised rates.

Take advantage of our professional meeting rooms to ensure you create the right impression for your clients, giving them extra confidence to place new business with your company. Meeting rooms are also available to hire separately. A fitted kitchen facility is also provided, for preparing light meals and beverages.

If you think that your organisation deserves to be housed in Leicester's finest Victorian serviced office space, for an affordable price, then Provincial House is for you!

Call Today with your requirements, to arrange a viewing...
