The southwest area of Las Vegas, in which Southern Hills Hospital is located, is one of the fastest growing areas in greater Las Vegas, and this growth is projected to continue through 2025. Generally, this southwest area has a higher income level and a higher percentage of private insurance than other areas of Las Vegas.

Opened in 2004, Southern Hills Hospital WITH 265- beds, continually provides acute care services while addressing the growing healthcare needs of the community. In 2018, Southern Hills continued expanding care to patients with the opening of the Pavilion, an 80 bed behavioral health unit which serves ages 11 and older. In 2017, Southern Hills Hospital added a newly created graduate medical education (GME) program with its inaugural class in family medicine. The GME program has now expanded to include transitional year and psychiatry residents, as well as a gastroenterology fellowship.
