A Full Repositioning on the Rocky River Center Ridge Corridor

21190 Center Ridge Road is a freestanding, multi-tenant building undergoing a complete 2026 renovation on one of the busiest retail corridors in Rocky River. The repositioning delivers ±18,399 SF across two levels — office space plus ±5,700 SF of retail — with suites that demise from ±258 SF or combine up to ±5,700 SF to fit a wide range of users.

The exterior is a 100% transformation, including new aluminum storefront and window systems. A new centralized entry, accessible restrooms, and ADA-compliant entrance, ramps, and railings bring the property fully up to current standards. All office and retail suites will be delivered in premium white-box condition, ready for tenant fit-out.

With 101' of frontage and strong visibility on Center Ridge Road (35,120 VPD), 24 on-site parking spaces, and building plus pylon signage, this is a rare move-in-ready opportunity in a supply-constrained submarket. Asking rents vary by use and space; space is available upon completion of renovation.

LOCATION OVERVIEW

The Heart of the Center Ridge Corridor

21190 Center Ridge Road sits squarely on the Rocky River Center Ridge corridor — one of Greater Cleveland’s most active retail arteries — in the heart of Rocky River. The property fronts Center Ridge Road, the primary east-west commercial spine serving the area’s affluent western suburbs, with immediate access to Interstate 90 and dense, established rooftops on all sides.

It sits squarely between two dominant retail nodes: Westwood Town Center and River Plaza to the west, and Westgate Shopping Center to the east — capturing cross-shopping traffic flowing in both directions. The trade area covers four upper-income communities: Rocky River, Fairview Park, Bay Village, and Westlake.
