

Extra Room
accessible via
corridor

The floor plan shows a building layout with a central corridor. On the left side, there are three large rectangular rooms stacked vertically. On the right side, there are two large rectangular rooms stacked vertically. A central corridor runs horizontally between the left and right rooms. At the top of this corridor, there is a small room labeled 'Extra Room accessible via corridor'. At the bottom of the plan, there is a long horizontal room containing a kitchen area with a sink and stove, and a bathroom. Below this long room, there is a small entrance area with a door and a small room. The address '455 W 4th Place' is written on the left side of the plan.
