

XCHG LONDON

JOIN XCHG

WHERE INNOVATION MEETS ELEVATION

Welcome to XCHG — a vibrant hub for innovators and entrepreneurs in the heart of 22 Bishopsgate, one of London's most sustainable landmarks.

More than a workspace, XCHG is a curated community with panoramic views, engaging events, expert support, and spaces designed to spark bold ideas.

We'd love to welcome you in.

COLLABORATE AT THE XCHG

MEMBERSHIP

As a member, enjoy exclusive monthly perks – from discounts on fitness and wellness to curated food offers and more..

WORKSPACE

Each piece of furniture in the lounge, meeting room and media space was selected and situated to provide a foundation of comfort, enabling members to draw inspiration from their surroundings to create their best work.

EVENTS

Core to innovation is the sharing of ideas. Members are invited to engage in our programme of over 120 thought-leadership events annually. In addition, XCHG members may reserve our fully serviced meeting spaces.

COMMUNITY

Our member community is the heartbeat of XCHG London. We are committed to continuously cultivating an environment where members connect, engage and share ideas in person and virtually via the XCHG app. Our mission is to help both members and their businesses to thrive.

A PLACE TO INNOVATE

Workspace

Experience purpose-built spaces to enhance individual and collaborative work.

Enjoy complimentary craft coffees and teas, still and sparkling water to quench your thirst.

Stay connected with ultra-fast broadband and connectivity throughout the building.

Meeting Rooms

Host your best meeting for 1-100 people here.

Enjoy easy online booking and management.

Receive on-site support from a team committed to your success.

Event Space

Delight your senses in light-filled event space with theatre seating and soaring city views.

Invite up to 60 people in person and more virtually!

Engage your audience with access to audio-visual equipment.

Event Programmes

Attend our in-person and digital programmes designed to expand thinking across business, health, well-being, and creative topics.

Connect with XCHG members to grow your knowledge base and trusted circle.

Media Facilities

Create your best content in our podcast studios.

Record inspiring content in our video suite.

Perfect your craft in our editing rooms.

Online Community

Hold the XCHG community in the palm of your hand.

Connect with members via the XCHG app, extending your connections beyond the space.

Enjoy exclusive content, curated with our members in mind.

EVERYDAY WELL-BEING

A SAFE SPACE

Ideas soar when the mind is free, safe, and engaged. Every element of our members experience at the XCHG has been cultivated to create a relaxing, comfortable environment where you can innovate and network.

NOURISHMENT

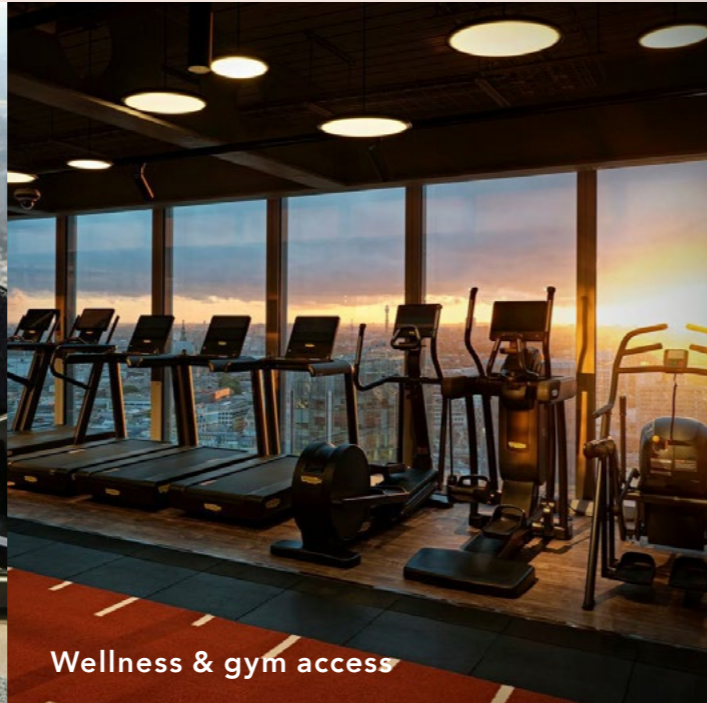

Just steps from the XCHG lounge, you'll find award-winning restaurants and a vibrant dining scene including gourmet food counters, an all-day restaurant, an indoor bar, and a stunning events space with spectacular views.

SUSTAINABILITY

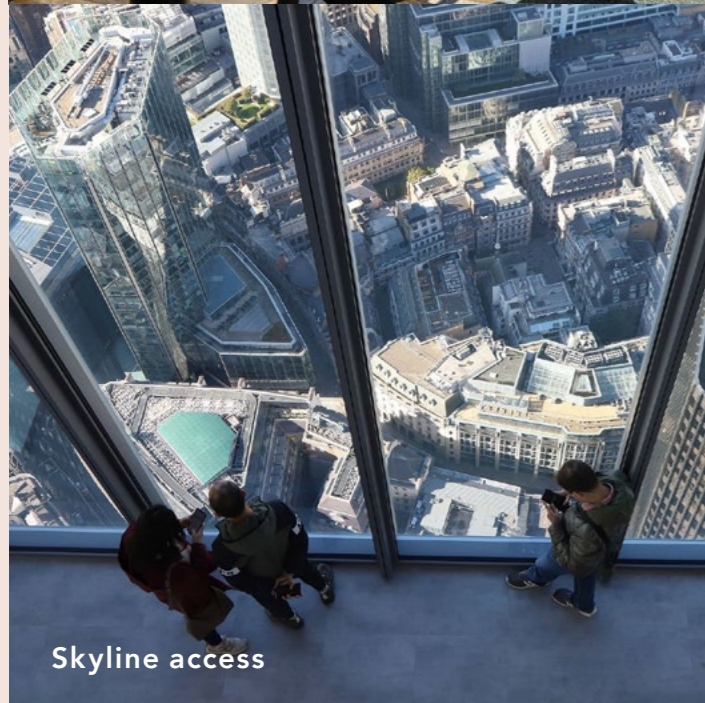

XCHG is committed to enhancing community within and beyond our walls. We are proud to be housed in one of the most sustainable buildings in London, 22 Bishopsgate.

Award-winning bars and restaurants

Wellness & gym access

Skyline access

Be part of the exclusive 22B community

THE XCHG PLUS

Vertical Village

From the City's highest public viewing platform to fresh, healthy meals at our luxury restaurant – every element is designed to elevate your daily rhythm.

Health & Wellbeing

Focus on both mind and body with access to wellness-focused amenities, including a retreat and calm spaces throughout the building.

The Space

Arrive at the XCHG lounge and soak in breathtaking city views through floor-to-ceiling windows. Our team is here to ensure you feel right at home.

Active Commuter Facilities

Cycle, walk, or run to work with ease. Enjoy spa-style showers, secure lockers, and one of London's largest bike storage facilities – with over 1,700 spaces, 75 showers, and 1,300+ lockers.

Sustainability at the Core

22 Bishopsgate is designed with the circular economy in mind and stands as one of London's most sustainable buildings.
