CITY OF MENIFEE:

The City of Menifee is located along Interstate 215 just north of the City of Murrieta. Incorporated in 2008, Menifee has grown to a January 2024 population of 119,472 within the city boundaries (2024 Population 155,199 in a 5 mile radius per Derrigo Study). Over the 1980s and 1990s, Menifee became a region covered with quality master planned communities and residential tentative tract maps. Affordability and its proximity to employment centers in Orange, Riverside, San Diego and Los Angeles counties make it an attractive location for families looking for a high quality of life region in Southern California.

HOUSING GROWTH:

The 2024 Derrigo Housing Study which defines Residential activity within the city limits of Menifee is substantial with 11,037 units and 24,812 in a 5 mile radius that are in some phase of the development pipeline from 6 approved specific plans and 52 residential tract maps, 134 tentative tract maps and 22 specific plans active in the study area in the trade area with a total of 42,282 within Countyside Marketplace's drawing radius.

Over the last year, 1,228 units have been completed within the city limits (a 5% annual increase in population). Due to the large number of units under construction, field research concludes that this build out rate will continue with another 2,544 residential units projected to be completed by 1Q2025. A 7.5% increase in population in 2 years to 125,300 residents in the City of Menifee.
