Location

Trafford Wharf Industrial Estate is located within Trafford Park, Manchester, recognised as Europe’s largest industrial estate extending to approximately 4.7 square miles. The area is one of the North West’s most established commercial hubs and is home to major occupiers including GXO, L’Oréal, Amazon and ITV Studios. The estate lies approximately 4.8 km from Manchester City Centre and benefits from strong road connectivity via Trafford Park Road and the A5081, providing convenient access across Greater Manchester and the wider motorway network. A bus stop is situated within 100 metres of the property, offering accessible public transport links.
