EXECUTIVE SUMMARY

Located within one of the San Fernando Valley's established industrial corridors, **13310 Ralston Ave** presents a rare opportunity to acquire a freestanding industrial warehouse offering flexibility for both investors and owner-users. The approximately 6,840-square-foot facility sits on a 0.30-acre parcel and combines functional warehouse space with approximately 1,200 square feet of built-out office, providing an efficient layout for a variety of industrial operations.

The property offers excellent regional accessibility with convenient access to Interstate 5, Interstate 210, and State Route 118, allowing efficient distribution throughout Los Angeles County and Southern California. Positioned on a quieter industrial street while remaining minutes from major transportation routes, the property provides an ideal balance of accessibility and operational convenience.

Designed for functionality, the warehouse features approximately 14-foot clear height, a grade-level loading door, 16 on-site parking spaces, and multiple existing walk-in refrigeration units that may be utilized by users with cold-storage needs or removed to accommodate alternative operations. Zoned MR1 (Buyer to Verify), the property presents a compelling opportunity for manufacturing, warehousing, distribution, food-related businesses, contractors, or other permitted industrial uses.

Offered for sale with a potential lease option, 13310 Ralston Avenue represents a versatile industrial asset in one of the San Fernando Valley's most active industrial submarkets.
