Area Development

5035 Coliseum — + Housing Development

Currently in development is a mixed-use complex called "5035 Coliseum" at the corner of Coliseum Street and La Brea Avenue in Baldwin Village.

Located less than a mile from 3518 Chesapeake, this project will be **the first development of its kind in the country**, with a Costco serving as the anchor retail tenant on the ground floor and 800 apartment units above it.

The Housing:

Of the 800 apartments, 184 units (23%) will be dedicated to low-income households, and the remaining units are earmarked as non-subsidized affordable and workforce housing for seniors and families, including those with Section 8 vouchers. (FOX 11 Los Angeles)

Amenities:

Plans call for five courtyards, a landscaped walking path, a rooftop pool, basketball courts, play structures, and a fitness area, as well as outdoor spaces for movie nights, community gardens, and classes. (Urbanize LA)

The Costco:

The Costco will be the first located in South Los Angeles and will offer produce, healthy food options, optical services, a pharmacy, and delivery services. It's estimated to create around 400 new local jobs. (NBC Los Angeles)

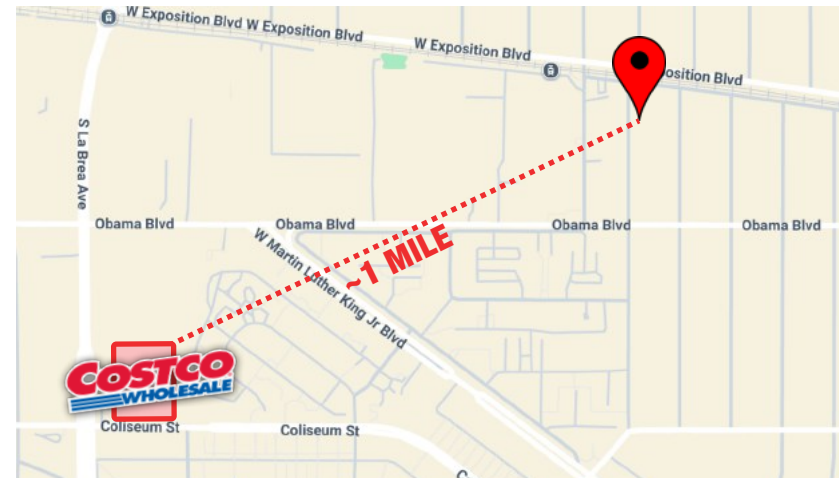

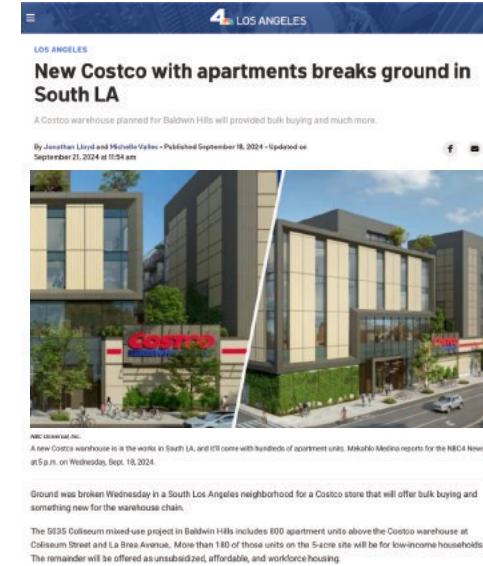

Timeline:

The project officially broke ground in January 2026 and construction is expected to take about two and a half years, with an anticipated opening in 2027. (FOX 11 Los Angeles)
