FOR SALE

PROVISION INDUSTRIAL COMMONS

7110 -7114 NE 43rd Ave. | Vancouver, WA 98661

These industrial condo units present a rare chance for businesses to secure ownership in a modern, 1,103-square foot suite with front door, warehouse restroom plumbed and ready for fixtures, 13-foot ceilings, steel construction, dry sprinklers, and grade-level 10×12 loading. Ownership offers long-term cost stability, protection from rental escalation, and the ability to build equity in a supply-constrained industrial market. With a central Vancouver location near I-5, I-205, and PDX, condo units provide a practical and financially strategic alternative to leasing.

This statement with the information it contains is given with the understanding that all the negotiations relating to the purchase, rental or leasing of the property described above shall be conducted through this office.
