Excellent Service here at BizSpace Basingstoke, Building management very approachable and fast to respond to any concerns raised by its occupants. Been here just over 3 months and know most of the staff on a first name basis. Maintenance issues are addressed promptly and rarely is there any disruption to business operations and we're all well-informed before any changes are to be made. The space itself is well-located just off the slip road to exit Basingstoke and still close enough to the Town Centre and Transport links for anyone needing to commute.

We moved into Belvedere House in Basingstoke at very short notice. Andrew was incredibly helpful and we were able to get everything sorted and move in a week. (Bank Holiday week as well, so a short one.) Kim and Patricia on reception have been really friendly and helpful in getting us settled and explaining how things work in the building.

Neil Perry

I can highly recommend the training room at BizSpace's Belvedere House in Basingstoke. Spacious for up to about 18 delegates, with ample extra room for activities. Good AV & refreshments. Building manager Drew Mechen eager to help alongside his reception and facilities staff. Top venue for trainers in the NE Hants area.
