RARE AIRPORT HANGER FOR LEASE

**6051 POSTAL ROAD
CLEVELAND, OH 44135**

LEASE RATE: \$2 - \$4/SF PER MONTH

PROPERTY OVERVIEW

This new 30,000 SF hangar building, constructed in 2025, offers a rare on-field opportunity at Cleveland Hopkins International Airport. The 176' W x 29.5' H hangar door accommodates widebody aircraft — an exceptional specification few facilities in the region can match. The building includes 3,300 SF of fully finished space with individual offices, a conference room, pilot lounge, lobby, and kitchen. The facility is in excellent, like-new condition and available for immediate occupancy. Ideally suited for FBOs, charter operators, or corporate flight departments seeking a move-in-ready base of operations.

LOCATION OVERVIEW

6051 Postal Road sits directly on the airfield at Cleveland Hopkins International Airport, a full service international airport on Cleveland's southwest side, with on site customs, FBO, and air traffic control. The site offers strong access to I-71 and I-480, roughly 15 minutes from Downtown Cleveland, within aviation, logistics, and industrial users. A prime high-visibility location for aviation focused businesses serving Greater Cleveland and Akron Market.
