MIAMI AIRPORT NORTH MEDLEY SUBMARKET

TRANSIT + CONNECTIVITY

PREMIER INDUSTRIAL LOCATION

7361 + 7391 NW 78th Street is strategically positioned within the Airport North industrial corridor, providing immediate access to South Florida's primary transportation infrastructure, including US-27, SR-826, SR-836, Florida's Turnpike, and Interstate 75. The Property is located minutes from Miami International Airport and within convenient reach of PortMiami, Port Everglades, and Opa-locka Executive Airport, offering exceptional connectivity for regional distribution, import/export operations, and international trade.

SOUTH FLORIDA'S PREMIER INDUSTRIAL HUB

The Miami Airport North / Medley industrial submarket is one of South Florida's most established and supply-constrained industrial corridors, serving as a premier hub for warehousing, logistics, distribution, import/export, freight forwarding, manufacturing, and aviation-related operations. Immediate proximity to Miami International Airport, PortMiami, and the region's primary expressway network has made Airport North one of the most sought-after industrial markets in Florida. Limited developable land, high barriers to entry, and sustained tenant demand continue to make Airport North one of South Florida's most competitive industrial markets.

UNMATCHED CONNECTIVITY

EXCEPTIONAL CONNECTIVITY THROUGHOUT SOUTH FLORIDA

Immediate access to SR-826, SR-836, Okeechobee Road (US-27), Florida's Turnpike, and Interstate 75 provides efficient regional connectivity throughout Miami-Dade County and South Florida. The submarket also benefits from immediate proximity to Miami International Airport, PortMiami, Port Everglades, and multiple intermodal freight facilities, supporting domestic distribution and international trade throughout the Americas.

DENSE LABOR MARKET

ACCESS TO SOUTH FL'S LARGEST INDUSTRIAL LABOR POOL

Airport North benefits from access to one of South Florida's deepest industrial labor markets, supported by central Miami-Dade County's large residential population, skilled multilingual workforce, and extensive transportation network. The surrounding area continues to attract logistics, manufacturing, e-commerce, construction supply, food distribution, and import/export businesses seeking efficient access to labor, customers, and regional infrastructure.

CONNECTING SOUTH FLORIDA TO GLOBAL SUPPLY CHAINS

WORLD-CLASS LOGISTICS

7361 + 7391 NW 78th Street is strategically positioned within the Medley/Airport North industrial submarket, one of South Florida’s premier logistics and distribution corridors. The Property benefits from immediate proximity to Miami International Airport and PortMiami, providing exceptional access to domestic and international supply chains. The surrounding area is home to a diverse concentration of logistics providers, freight forwarders, manufacturers, import/export companies, food distributors, and e-commerce users that rely on Airport North’s unmatched connectivity. Supported by a skilled multilingual workforce and one of the nation’s busiest cargo gateways, the submarket continues to attract companies seeking operational efficiency and long-term growth.

PortMiami

±12 MILES FROM THE PROPERTY

Powering Global Trade and Economic Growth

PortMiami remains one of Florida’s most important economic engines and the state’s leading container port. In FY 2025, the Port generated an estimated more than **\$61 billion in annual economic impact while supporting over 340,000 jobs statewide. Handling more than 1.1 million TEUs annually**, PortMiami provides direct access to more than 100 countries and over 150 global ports through state-of-the-art cargo terminals and logistics infrastructure.

Beyond cargo, PortMiami continues to rank among the world’s busiest cruise ports, welcoming millions of passengers annually while reinforcing Miami’s position as a global center for international commerce and tourism. Located approximately ±13 miles from the Property, the Port provides tenants with immediate access to one of the nation’s premier international shipping gateways for import/export, distribution, and supply chain operations.

Miami International Airport

±5-MI FROM THE PROPERTY

Driving Billions in Trade + Job Creation

Miami International Airport (MIA) remains one of the world’s premier international aviation gateways and the nation’s leading airport for international air freight. In 2025, MIA handled more than 3.5 million metric tons of cargo, generating approximately \$181 billion in annual economic impact statewide and supporting more than 842,000 jobs across Florida. Within Miami-Dade County alone, MIA supports over 311,000 local jobs and approximately \$41 billion in annual business revenue.

Located approximately ±5 miles from the Property, tenants benefit from immediate access to one of the world’s largest international cargo networks, connecting South Florida businesses with Latin America, the Caribbean, Europe, and global markets while supporting efficient time-sensitive distribution and logistics operations.
