Site Info

Avison Young is pleased to be representing Sherwood Developments and offer pre-leasing options for Phase 2 of Crossings West Lethbridge. There are exciting mid-box, CRU and drive-thru units available to suit a variety of commercial needs.

Phase 1 of the Crossings is an established and busy regional shopping center anchored by No Frills, Rexall, Mcdonald's, Tim Horton's, Boston Pizza, Original Joe's, Servus Credit Union, Coulee Veterinary and Crossings Dental. The project is part of a larger development strategy for the area including plans for multi-residential, a hotel, and commercial development.

Location

Crossings is located in the heart of West Lethbridge and serves as the commercial hub for the area. The Phase 2 commercial site is located within minutes of two high schools (1,700+ students), the Crossings Branch Public Library, Cavendish Recreation Centre (arena & curling facility), and the Cor Van Raay YMCA (aquatics center, fitness facility & indoor track). There is also a new elementary school under construction (610+ students). The area boasts 55 acres of green space.

The City of Lethbridge has an estimated population of 111,400 with over 43% of the population residing on the west side. West Lethbridge has the highest percentage of households earning over \$82,000 annually.

Key Highlights

Modern design. Crossings offers high quality architectural materials and modern building design. The site takes cues from prairie grasses, expansive blue skies, and the rolling coulees.

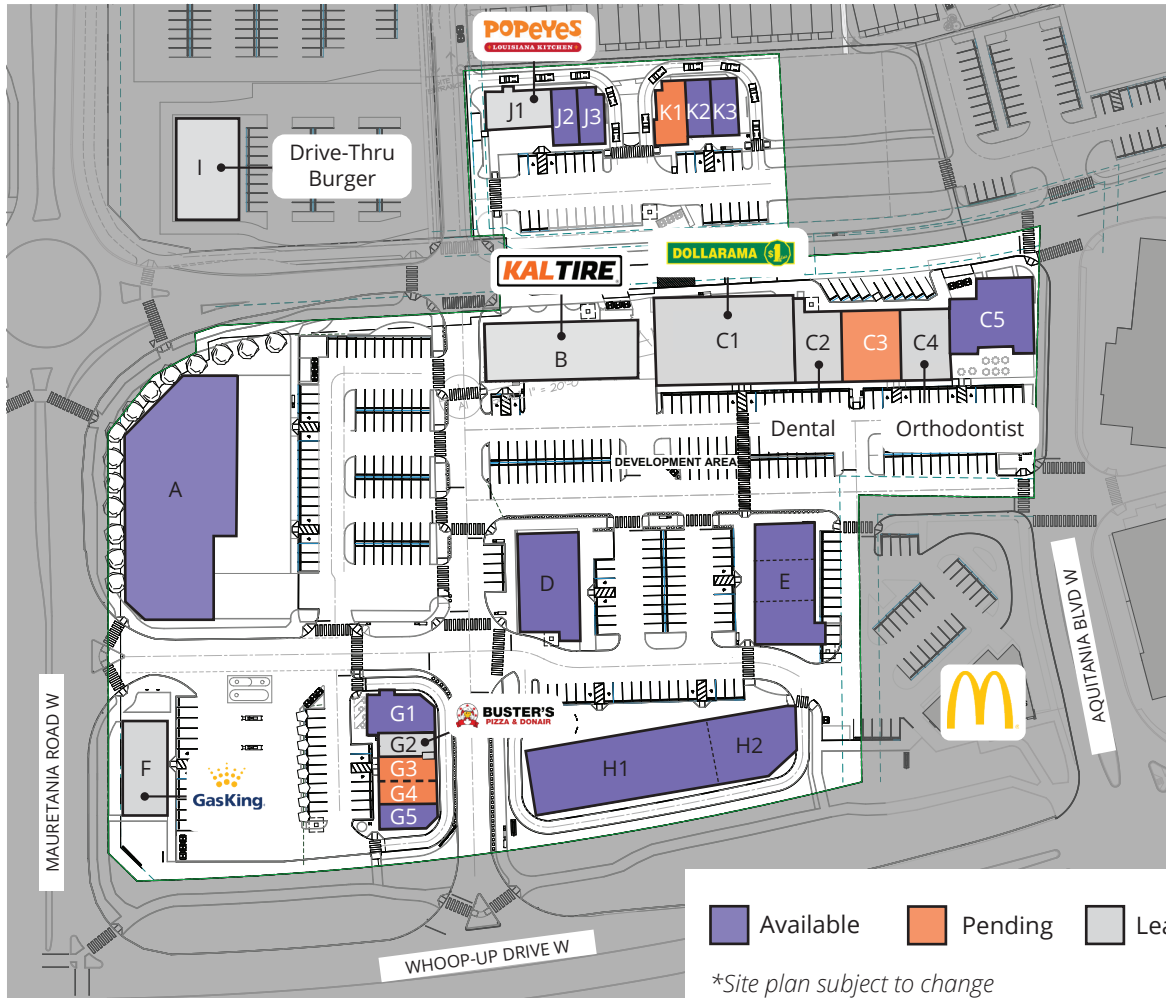

Strategic location. Situated in the heart of West Lethbridge, the Crossings is a desirable commercial hub with high-quality nearby amenities that drive visitors to the area.

Pedestrian friendly. The goal for the Crossings neighbourhood as a whole is to create a vibrant community focused on place-making and ease of pedestrian movement.
