

A floor plan diagram of a facility. The main area is a large rectangle outlined in red. It is divided into several sections by horizontal and vertical lines. On the left side, there are three rectangular boxes. On the right side, there are two rectangular boxes labeled 'Grade door'. The text '12,000 s.f. MOL' and '2230 C' is centered in the main area. The bottom right corner shows a partial view of another area with a wavy line.

12,000 s.f. MOL
