Dine. Play. Stay. Live.

ICE District is the heart of downtown Edmonton, one of the fastest growing cities in Canada. Spanning 25-acres, this world-class mixed-use development combines condos, a public plaza, sports, entertainment, a chic hotel (JW Marriott), 208,000 square feet of retail space and 1.3 million square feet of office space all in one dynamic location. It's much more than a state-of-the-art Rogers Place arena. It's a place to gather; a place to celebrate; a place where the city of Edmonton comes alive.

Unique retail opportunities in the heart of downtown

Stantec Tower is downtown Edmonton's newest office and luxury condo development, and western Canada's tallest building. It is a 69-storey LEED-Gold building and the unmistakable centerpiece of the ICE District. Sky residence boasts 483 luxury residential condos above 29 floors of office tenancies, with commercial space totaling 62,000 square feet, including what will be Alberta's premium licensed Food Hall. *(Rendering above)*

High-profile restaurant opportunity available

With unparalleled exposure at ICE District, directly across from Rogers Place main entrance, there is high levels of foot traffic all-day from office workers, residents, hotel guests and event attendees. All season pedway connection promotes consistent traffic throughout the year. Located directly on the plaza for amazing immersion in ICE District Plaza and Rogers Place events. Capitalize traffic generated by area businesses such as Henry Singer, JW Marriott, Loblaws CityMarket, The Banquet, Canadian Icehouse and many major banks.

Foodservice rebound

The hospitality industry is on the rebound in Alberta. A report from Restaurants Canada predicts a return to consumer confidence.

“A much stronger rebound at full-service restaurants, caterers and drinking places will boost commercial foodservice sales in Alberta to a record **\$10.7 billion** in 2023. This will be the first time Alberta surpasses the \$10 billion mark in annual sales, and represents an **8.0% increase** over 2019 levels.”
