Description

The business has been successfully owner-operated for approximately nine years and enjoys a loyal local customer base together with passing trade from visitors to the town. The café offers a popular menu of freshly prepared breakfasts, sandwiches, light lunches and hot meals, alongside a wide selection of home-baked cakes, pastries and sweet treats, together with barista coffee, teas and cold drinks.

The premises provide approximately 35 internal covers arranged over the ground and first floor seating areas, together with around 20 external courtyard seats, which are particularly popular during the warmer months.

The current owner is of retirement age and has gradually reduced the opening hours to approximately 10:00am to 2:00pm, which has contributed to the recent reduction in turnover. This presents a genuine opportunity for an incoming operator to extend trading hours and increase revenue, particularly by maximising use of the outdoor seating during the spring and summer seasons.
