# CLOSE PROXIMITY

Skytown places you at the center of it all - just a quick 14 minute drive to the white sands of St. Pete Beach and only 10 minutes from the vibrant energy of downtown St. Petersburg.

# A NEIGHBORHOOD REIMAGINED

The Skyway Marina District is one of the most vibrant and rapidly growing areas in southern St. Petersburg, Florida. Major national retailers such as Sprouts, Starbucks, Chipotle, Zaxby's, and Tropical Smoothie have recently joined the corridor—with additional exciting tenants on the way.

Positioned along 34th Street/US Highway 19, the primary north-south artery serving Florida's west coast, this corridor is experiencing a surge of development. New luxury apartment communities including Sur Club, Marina Walk, Marina Club, Skytown, and The Addison Skyway Marina are attracting a wave of young professionals relocating not only from across Florida, but from all over the country. Retailers are thriving here—the Starbucks just one mile south of Skytown ranks among the busiest in all of St. Petersburg.

Residents and visitors alike are drawn to the area's exceptional connectivity. The district offers convenient access to I-275 and is just minutes from both Downtown St. Petersburg and St. Pete Beach, as well as major destinations across Pinellas, Hillsborough, Manatee, and Sarasota counties.

As the broader St. Petersburg market continues to experience tremendous growth — fueled by new businesses, families, and professionals — the vision for Skytown is to establish it as the premier shopping and dining destination within this flourishing district.
