DESIGN DISTRICT

PROXIMITY OPPORTUNITY

Over the past decade, Miami Design District has evolved into one of the world's premier luxury retail and design destinations. As the district has matured, showroom availability has become increasingly limited while rental rates have continued to rise.

As a result, many design-oriented brands, furniture showrooms, galleries, and creative retail concepts have expanded into nearby corridors along Biscayne Boulevard.

5084 Biscayne Blvd – Space 102 presents a rare opportunity to establish a design-driven presence just minutes from Miami Design District while benefiting from a larger footprint, on-site parking, strong accessibility, and prominent Biscayne Boulevard visibility.
