DEMOGRAPHICS

The labor market serving Crosspointe Industrial Park includes a workforce of over 720,000. Home to Fort Gregg-Adams and the Defense Logistics Agency (less than 15 minutes from the facility), Virginia's Gateway Region has access to elite logistics expertise not found anywhere else in the country - or world. Supply chain innovators such as Amazon (1 million SF and an 800,000 SF facility), ALDI (500,000 SF regional headquarters and distribution), Walmart, and Medline all selected Virginia's Gateway Region for major facilities, complementing the over 600 acres and 4.9 million square feet of logistics investments announced in Virginia's Gateway Region since 2011.
