PROPERTY DESCRIPTION

This iconic, multi-level building presents a rare opportunity to reimagine and revitalize a legacy property that has only been offered for sale twice in over 150 years. Now under new ownership, the building is being positioned for forward-thinking users or investors seeking a flagship presence in Old Pasadena.

The property features a lower level, ground floor, and second floor with balcony, offering flexibility for retail, office, creative, showroom, restaurant, or mixed-use concepts. The offering includes an adjacent, separately parceled surface parking lot under the same ownership, providing 47 surface parking spaces, favorable zoning, and a premier corner location. The asset supports both immediate occupancy and long-term redevelopment upside. This is a true generational opportunity in one of Pasadena's most recognizable and heavily trafficked corridors.
